PAINT THE TOWN RED

Strawberries and cherries, apples and roses.

Firetrucks, stop signs, ladybirds and more.

Red is the blood that flows in our veins.

It's the colour of Santa Claus, whom you so adore.

DID YOU KNOW?

- Red has the longest wavelength in the visible spectrum.
- Mars is called the red planet because of the presence of iron oxide on its surface.
- Red is the rarest natural hair colour in the world.
- Bulls aren't actually angered by red, as they are colour-blind. It's the movement of the cloth that irritates them.
- Red is the first primary colour babies can see.
- Rubies are red due to the presence of chromium.
